Subject: Proposed Wolf Creek Land Exchange

To: Forest Supervisor, Rio Grande NF

Enclosed is a Decision Notice for the subject case executed on March 6, 1986. This Decision Notice withdraws the decision dated February 20, 1986 and directs that processing of the land exchange proposal continue.

The Decision Notice also imposes one additional mitigation requirement. We are now drafting a scenic easement deed to satisfy this requirement. We will transmit a copy to you as soon as it is available.

The proponent will be provided with a copy of the Decision Notice by this office. You should notify local governments and others who commented on the proposal. You should also consider what level of public notification is necessary and provide such notification.
